

The facilitation measures granted to economic operators for the depletion of non-compliant packaging in terms of consumer information

- Avoid economic losses;
- Ensure business continuity.

Conditions:

Facilitation measures are granted on the condition that the finished product complies with the legislative and regulatory provisions in force regarding hygiene, safety, and technical specifications.

Who is concerned?

Any producer holding stocks of non-compliant packaging in terms of consumer information.

How to benefit from this measure?

Submit a request for the use of non-compliant packaging to the Directorate of Commerce of the concerned Wilaya, specifying the nature of the products, the quantities and values of the stocks, the non-conformities observed on the packaging, and the duration of the depletion of these stocks.

Important

The authorisation is granted on the condition that the operator commits to complying with the current legislative and regulatory provisions for future packaging orders.

If the stock subject to the request could not be exhausted within the granted deadlines, the operator has the possibility to submit a request for an extension of the authorisation period.
